Wisconsin Society of Professional Engineers

A state society of the National Society of Professional Engineers

Annual Meeting for the Wisconsin Society of Professional Engineers Members

Dear Edward,

This letter is to inform you of the upcoming Annual Meeting we hold each year for our valued members. As a member, you hold the knowledge and are the reason we can conduct business on a daily basis.

We graciously invite you to join the WI State Executive Committee Board where we will provide an executive summary of this past fiscal years business and the direction we will be moving forward in the upcoming fiscal year, including the challenges we have overcome and the exciting opportunities in the future. The WI State Executive Committee Board will also entertain any questions, comments, or concerns you have as an integral portion of our growing, professional organization.

The year's Annual Meeting will take place:
Thursday, June 30th, 2011 from 10am - 11:30am.
Location: Ruckert-Mielke, Inc.
W233 N2080 Ridgeview Parkway
Waukesha, WI 53188
(262) 542-5733

To account for light refreshments, please respond via e-mail at erodden2@att.net or (888) 242-9954. If you are unable to be present you may also join us via a teleconference call at (800) 617-4268, and enter pin number of 48453022#. Of course, as always suggestions, comments or concerns may be submitted to us anytime.

We want to thank Ruckert-Mielke, Inc. for allowing WSPE to hold our Annual Meeting at their place of business.

On behalf of the WI State Executive Committee Board we look forward to working with

NSPE Vision: NSPE is the recognized voice and advocate of licensed Professional Engineers.

NSPE Mission: NSPE, in partnership with State Societies, is the organization of licensed Professional Engineers (PEs) and Engineering Interns/Engineers in Training (EIs/EITs). Through education, licensure advocacy, leadership training, multi-disciplinary networking, and outreach, NSPE enhances the image of its members and their ability to ethically and professionally practice engineering.
