## Sponsors, You Have the Key

This is not your ordinary **key**. It doesn't jingle or hang on a chain, but it's powerful nevertheless. Use it to:

1. *Become a sponsor of WSPE.* You will become **key** to the success of engineers across the state of Wisconsin.
2. *Encourage professional engineers to become members of WSPE.* By doing so, you recognize that they are **key** to the health, safety and welfare of the public.

Any organization with professional engineering employees has the **key**, including contractors, educational institutions, government agencies, industries, and private practice consulting engineering firms. At most levels, your sponsorship will be included in all WSPE activities. You will be active as a sponsor for your local chapter and will receive sponsorship renewal material only once a year.

Helping others is **key** to your own success. Unlock the door and open your organization to the benefits of WSPE.

Please don't drop this **key** opportunity! Support Wisconsin engineers today!
