Key Advantages of NSPE Enterprise Membership

throughout the year.

It streamlines our membership process; the "NSPE Enterprise Membership has proven to be a valuable program for our engineering team at Huitt-Zollars."

The profession in 2024 include critical thinking, problem-solving, active learning, resilience, stress tolerance, and flexibility.

Is your organization looking to bring together a team of engineers, each committed to practice engineering through education, licensure advocacy, leadership training, outreach, and the enhancements the image of its members and their ability to ethically and professionally?

NSPE is always seeking great content and speakers. Those interested in submitting a presentation proposal by March 5.

The WORKability Wednesdays fall series wrapped up in November. Recordings of the presentations are available in the section of the website.

To learn more about potential topic areas, how to prepare a submission, and the relevance, and timely education to colleagues attending the Engineers Conference.

Welcome to New Members

Please join us in celebrating our 80th anniversary in 2024 by participating in our new Annual Event: Celebrating 80 years in existence! This is an impressive milestone and we believe it is definitely something worth celebrating.

Every year we like to recognize individuals who have made a difference in our engineering community. There are many facets of what this looks like and ways individuals can stand out. Below are several award categories that we have utilized in the past, but by no means is this a complete list. If there is someone who you believe is deserving of an award, please nominate them! Our nomination form can be found on the NSPE-WI website.

- Engineer of the Year – Membership
- Engineer of the Year – Construction
- Engineer of the Year – Private Practice
- Young Engineer of the Year (<35 YO)
- Engineer of the Year – Government

New Member / Re-Join

Welcome to New Members

Registration information will be coming soon, so keep an eye out for that.

If you sign up for the conference, there could be other incentives if you sign up for the conference, but only time will tell!!

The Virtual Discovery Conference presentations will be held every Tuesday and Thursday mornings. There are 13 PDHs available for an exceptional value of $80! (Yes, we did that on purpose!) There is definitely something worth celebrating.
