

# Engineers Foundation of Wisconsin, Inc.

The Engineers Foundation of Wisconsin, Inc (EFW) is organized exclusively for charitable, educational and scientific purposes to:

- Encourage people to consider engineering as a career
- Offer financial assistance and incentives in the form of scholarships
- Conduct and support programs for education in engineering such as MATHCOUNTS
- Instruct and inform the public in promoting engineering education

Contributions are fully tax deductible under Section 501 (c) (3) of the IRS Code.

Sponsored by the Wisconsin Society of Professional Engineers (WSPE), the EFW awarded the following scholarships based on academic achievement, community involvement, and extracurricular activities:
